Our Timber Playground Shelters range provides the perfect outdoor solution to seasonal weather changes offering shade in the sunshine and protection from wind and rain in bad weather. Hexagonal, Square, Apex and Polycarbonate options are ideal for use as outdoor learning areas, under cover story time spaces, outdoor eatery solutions or socialising areas.
Our smaller Toddler, Timber Seating, Picnic Shelter and Seating Pod can create the perfect space for role play and developing social skills.

Established for over 50 years, A E Evans are the UK's market leader in the design and manufacture of timber based play equipment for supply directly to the trade. All products are designed and produced in the UK from sustainably sourced timber and EvaRound timbers can be FSC® certified (FSC® C102594) on request.

The ability to offer unrivalled value for money whilst still ensuring exceptional quality and longevity is key to A E Evans. The Shelters range accommodates all ages, budgets and play scheme sizes.

Our uncompromising approach to safety during the design and manufacturing process is paramount.

In order to ensure the highest level of accuracy, our experienced production team utilise our custom made, state of the art, 6 Axis CNC machine alongside automated drilling equipment and flatbed CNC machine. This technology allows us to offer unparalleled accuracy in the field of play timber production.
